

# CAROUSEL TABLE

## DESCRIPTION

Carousel blurs the line between ambiance and utility combining a low setting wireless charging tray surface for your mobile devices with warm, glare-free illumination. It's low profile LED light module is discreetly concealed below its mating tray and suspended atop a transparent fluted acrylic cylinder diffuser that radiates mesmerizing light patterns onto the table surface below. Perfectly suited for desktop or bedside use, Carousel embodies a uniquely hybrid perspective on what a personal light can be.
